

To: All Employees
From: Gary Faircloth
Subj: Gate Closures
Date: March 25, 2020

Thank you to each of you for the amazing job you are doing keeping our children safe and meeting their many needs during this unusual season. One important measure of safety we have taken is to close the campus to visitors. Therefore starting today all gates will be closed until further notice and anyone needing to get on the campus will need to go to the main office to express their need.

It is important to remember that no employee is to share their personal gate code with anyone else. Thank you again to each of you for your wonderful commitment to our mission to meet the needs of deserving children. Our children are blessed by your caring hearts and service.

President Gary Faircloth
